

BRIDGES 102

To be all
And be open
To what is to come

Be a Bridge
Of the pulsations
Of light

Be the time
Where space
Is reflected

Be without time
And no space
To be simply

Be what it is
Be the summary
Of what begins

Be what will not end
Because its essence
It is eternity

Be to be what it is to be
Always changing
Without ceasing to Be

Be All
Without leaving the unit
In multiplicity.
