

BRIDGES 105

Do you love me daddy?

Says a girl with a smarmy smile
It is the
voice of the Light

That opens the doors of Being

And the Word became flesh

And dwells among us

Full of grace and goodness

Kali rises from the waters of the Ganges

With her immaculate smile

And he gives birth to a son and covers him with his mantle

Of suns and abysses

Without losing his immaculate smile

Bhavaban Ramakrisna

Meditates

And greets the image of his beloved

Lord, have you seen God?

Vivekananda asks

Ramakrisna lifts his face

As clear as I see you
